Revisions to Royalty on Brine Shrimp

04-Feb-04

Bill Number SB0076s012:05 PM

State Impact

This bill would stabilize brine shrimp royalty collections at \$550,000 per year. This amount is approximately \$160,000 higher than average collections over the past six years. However, collections vary widely from year to year, depending on market conditions.

Individual and Business Impact

Eligible entities could see royalty cost increase.
