

State Impact

This bill will reduce revenue to the Driver's License division for distribution of identification cards and driver's licenses.

Based on estimates from prior year collections, the Department stands to lose \$550,000 from lost sales. There will be a small offset from avoided costs associated with printing the actual cards.

Individual and Business Impact

Some immigrants will not be able to obtain a driver's license or identification card. This may pose a difficulty in their ability to gain employment and housing.
