

State Impact

The 30 FTE involved in regulating the construction industry would be moved from the Division of Professional Licensing (DOPL) to the Division of Real Estate at no cost. Some of DOPL's support staff would not transfer as they service many other professions. Commerce would need an Administrative Secretary, an Office Specialist, an Assistant Manager, and an Administrative Law Judge. Total costs for the first year (FY 07) are \$280,100 from the Commerce Service Fund. Spending from the Commerce Service Fund could affect revenue available to the General Fund.
