
Fiscal Note**Tuition and Books Assistance***01-Mar-05***Bill Number: HB0358***9:28 AM*

State Impact

Provisions detailed in this bill create an Adult Education Tuition and Books Reimbursement program. Revenues to provide for student reimbursement is dependent on appropriation by the Legislature. Provisions of this bill do not require an appropriation by the Legislature, however, if a reimbursement of \$25 was provided for each of the 9,500 students participating in Adult Education programs it would cost \$237,500.

Individual and Business Impact

Students participating in Adult Education Programs may benefit from a reimbursement for tuition and book costs associated with participating in Adult Education programs.
