
Fiscal Note**Special Hunting Permits for Antelope Island***17-Feb-05***Bill Number: SB0187***9:39 AM*

State Impact

This bill allows (but does not require) the Wildlife Board to make rules for issuance of hunting permits on Antelope Island, and its implementation will have no fiscal impact. If the Board chooses to do that, both the Division of Parks and Recreation and the Division of Wildlife Resources will have a revenue increase from the sale of the hunting permits of \$1,100 each.

Individual and Business Impact

No fiscal impact.
