
Fiscal Note**Tuition Waivers for Higher Education***18-Jan-06***Bill Number: HB0066***11:50 AM*

State Impact

Passage of this bill increases the number of tuition waivers allowed for nonresident students from 500 to 900. A recipient of the waiver would pay in-state resident tuition rates, which would be applied to the costs of the student's education. The new waivers can be handled within existing budgets.

Individual and Business Impact

Nonresident students would benefit from having part or all of the nonresident portion of the tuition waived.
