
S.B. 52 - Health Regulations for Public Indoor Tanning Beds

Fiscal Note

2007 General Session

State of Utah

State Impact

Enactment of this bill will not require additional appropriations, but will require a reprioritization of resources within the Environmental Sanitation program.

Individual, Business and/or Local Impact

Tanning facilities will be required to obtain a permit from the local health departments. The fee for this could range between \$50 and \$250. This revenue would be used by the local health departments to implement the provisions of the bill.
