
H.B. 319 - Review and Appropriation of Grants

Fiscal Note

2008 General Session
State of Utah

State Impact

Enactment of this bill will not require additional state-fund appropriations. The bill will require review and appropriation of grants before an agency can expend grant monies. The bill may cause a delay in expending non-routine grants which were not expected in the prior legislative session, but in such cases would also delay incursion of costs.

Individual, Business and/or Local Impact

Enactment of this bill likely will not result in direct, measurable costs and/or benefits for individuals, businesses, or local governments.
