Fiscal Note

2008 General Session
State of Utah

State Impact

This Legislation appropriates \$100,000 ongoing General Fund to go with \$100,000 in federal matching funds to the Department of Health for the promotion of Utah's Premium Partnership for Health Insurance Program. If outreach is successful, the state may incur additional costs associated with the increased Medicaid caseloads.

Individual, Business and/or Local Impact

Individuals who decide to enroll in the Medicaid program because of the outreach program will receive medical assistance. Businesses who serve the new Medicaid clients will have an increase in revenues. Enactment of this bill likely will not result in direct, measurable costs and/or benefits for local governments.
