
S.B. 81 1st Sub. (Green) - Illegal Immigration - As Amended

Fiscal Note

2008 General Session
State of Utah

State Impact

This bill requires specific state and local agencies to verify the citizenship status of an individual prior to their receiving certain State services. Costs for additional employees for investigation and verification at the Department of Commerce, Department of Health, and the Attorney General's office are estimated at \$660,300 in FY 2010 and \$450,600 in FY 2011. The Department of Health estimates savings from not providing services at \$185,500 annually.

The Drivers License Division would be required to verify all new and renewal applications. This would require notification to all license holders and prevent renewal by mail or internet for one complete renewal cycle (five years). The estimated cost of the notification and the FTEs is \$1,039,400. Assuming that the notification and verification would occur during the regular license renewal, an additional 15 FTE in the field offices would be needed for one complete renewal cycle. Additional one-time costs are estimated at \$239,700. Revenue from new licenses is estimated at \$15,200 in FY 2010.

Individual, Business and/or Local Impact

Individuals who are not in this country legally and are currently receiving state services would lose those services. Local Health Departments would need to increase their workforces to determine citizenship and eligibility. Businesses may incur additional costs associated with administering payroll and withholding taxes.
