
H.B. 208 - Modification of Exemption from Nonresident Tuition

Fiscal Note

2009 General Session

State of Utah

State Impact

Implementation of this bill would likely curtail the growth in the number of certain nonimmigrant alien students enrolling in institutions of higher education in the state. This would result in an estimated loss of future tuition revenue of approximately \$150,000 annually.

Individual, Business and/or Local Impact

Nonimmigrant aliens who benefit from paying resident tuition rates would lose this benefit if they were employed or earned income during the year they claim the exemption from paying nonresident tuition.
