
S.B. 106 - Alcoholic Beverage Control Act Restrictions

Fiscal Note

2009 General Session

State of Utah

State Impact

Enacting this bill reduces Department of Alcoholic Beverage Control current expense and personal service costs by \$950,000. Staying open an additional day will generate extra revenue. On an average day, the system generates \$140,000 in profits on \$621,000 in revenue. Profit increases are transferred to the General Fund. Some additional yet undeterminable profit and sales tax may occur as result of longer restaurant hours.
