
S.B. 174 - Redistricting Commission

Fiscal Note

2009 General Session
State of Utah

State Impact

Enactment of this bill will require \$253,000 one-time General Funds appropriated to the Office of Legislative Research and General Counsel in FY 2010. This assumes that the current committee of the legislature would be replaced by the new commission without duplication of expenditures. Per diem expenses would be replaced with funding currently used to pay legislators on the current committee.
