
H.B. 165 - Health Reform - Administrative Simplification

Fiscal Note

2009 General Session
State of Utah

State Impact

Enactment of this bill may require an appropriation to the Department of Health to cover increased costs for administration of the Medicaid Program. The amount of the potential cost has not yet been determined.

Individual, Business and/or Local Impact

Enactment of this bill likely will not result in direct, measurable costs and/or benefits for individuals, or local governments. Health care businesses will be affected.
