

# Fiscal Note

H.B. 23, 2011 General Session

Short Title: Controlled Substance Modifications

Sponsor: Froerer, G.

State of Utah

## State Government (UCA 36-12-13(2)(b))

Enactment of this bill likely will not materially impact the state budget. To the extent that additional convictions occur as a result of this legislation, the Department of Public Safety would collect additional driving reinstatement fee revenue. DPS reports that such additional revenue will cover the costs of reinstating those driving licenses.

## Local Governments (UCA 36-12-13(2)(c))

Enactment of this bill likely will not result in direct, measurable costs and/or benefits for local governments.

## Direct Expenditures by Utah Residents and Businesses (UCA 36-12-13(2)(d))

Individuals convicted of a violation under this legislation would pay the existing \$65 fee to reinstate their driving license.
