SHORT TITLE: Concealed Weapon Carry Amendments

SPONSOR: Mathis, J.

2013 GENERAL SESSION

STATE GOVERNMENT (UCA 36-12-13(2)(b))

Enactment of this bill may reduce the total amount of dedicated credit and other fee revenue and associated costs for concealed weapons permits to the Department of Public Safety - Bureau of Criminal Identification program due to fewer Utah citizen applications; however the amount is unknown at this time.

Total estimated fee revenue (\$46/application) relating to provisions in this bill for Utah citizen applicants totaled about \$932,000. Total estimated costs (\$30/application) were about \$602,000. To the extent that fewer Utah citizens apply for concealed weapons permits, the Department of Public Safety will have a net revenue loss of about \$16 per application.

LOCAL GOVERNMENTS (UCA 36-12-13(2)(c))

Enactment of this bill likely will not result in direct, measurable costs for local governments.

DIRECT EXPENDITURES BY UTAH RESIDENTS AND BUSINESSES (UCA 36-12-13(2)(d))

To the extent that expected applicants no longer apply for a concealed weapons permit as a result of this bill, they will save \$46 per application.
