STATE GOVERNMENT (UCA 36-12-13(2)(b))

Enactment of this bill could reduce revenue to the Commerce Service Fund by \$40,600 annually due to the repeal of the continuing education requirement. There would also be a savings of \$35,400 to the Department of Commerce since they will no longer have to provide staff support and database maintenance for these courses. Spending from the Commerce Service Fund affects annual transfers to the General Fund.
