Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation likely will result in additional costs to some commercial beekeepers. The projected costs for a beekeeper is \$19 per apiary, with estimated total impact on the industry in Utah of \$28,500 per year.

Performance Note

JR4-2-404

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
