However, the amount cannot be determined due to a number of unknown factors, including the number of actions, the representation and litigation required, and damages awarded. Also, to the extent that individuals bring action in a state court, General Fund expenses for the Courts would be approximately \$500 per case.

### Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
