 Falsification of Information in a Protective  
 Order Proceeding  
 by Jackson, A. (Jackson, Alvin.)

**General, Education, and Uniform School Funds**

JR4-5-101

	Ongoing	One-time	Total
Net GF/EF/USF (rev.-exp.)	\$ (41,700)	\$ 0	\$ (41,700)

**State Government**

UCA 36-12-13(2)(b)

Enactment of this legislation could generate about \$208,000 ongoing in General Fund revenue beginning in FY 2017.

Revenues	FY 2016	FY 2017	FY 2018
General Fund	\$ 0	\$ 208,000	\$ 208,000
Total Revenues	\$ 0	\$ 208,000	\$ 208,000

Enactment of this bill could cost the Courts and the Guardian ad Litem \$249,700 ongoing from the General Fund beginning in FY 2017. The breakdown of costs is as follows: 1. Courts - \$150,600 for additional court proceedings/time, and 2. Guardian ad Litem - \$99,100 for court time and investigations.

Expenditures	FY 2016	FY 2017	FY 2018
General Fund	\$ 0	\$ 249,700	\$ 249,700
Total Expenditures	\$ 0	\$ 249,700	\$ 249,700

<b>Net All Funds</b>	<b>\$ 0</b>	<b>\$ (41,700)</b>	<b>\$ (41,700)</b>
----------------------	-------------	--------------------	--------------------

**Local Government**

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

**Individuals & Businesses**

UCA 36-12-13(2)(d)

About 1,040 parties could pay about \$200 on average in court filing fees for a total of \$208,000 annually. Certain petitioners could pay attorney fees to the opposing party due to provisions in the bill.

**Performance Note**

JR4-2-404

No performance note required for this bill

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
