State Government

UCA 36-12-13(2)(b)

Enactment of this legislation likely will not materially impact state revenue.

Revenues	FY 2017	FY 2018	FY 2019
Total Revenues	\$0	\$0	\$0

Enactment of this bill identifies the Necessarily Existent Small Schools program in the Minimum School Program as the funding source for out-of-state tuition costs as outlined in the bill. Currently, out-of-state tuition reimbursements are paid from nonlapsing balances within the Minimum School Program - Basic School Program. The State currently allocates approximately \$200,000 to certain school districts to pay these costs. Enactment may alter the distribution of state funding among school districts in the Necessarily Existent Small Schools Program.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
