**State Government**

UCA 36-12-13(2)(b)

To the extent that new nursing facilities are licensed under this legislation, the General Fund could receive more facility licensing fees for each new nursing care facility of \$3,600 one-time and \$3,600 every two years beginning for an annualized increase of \$1,800.

<b>Total Revenues</b>	<b>\$3,600</b>	<b>\$1,800</b>	<b>\$1,800</b>

To the extent that new nursing care facilities are licensed under this legislation, enactment could cost the Department of Health \$1,000 ongoing annually from federal funds to inspect each facility licensed. This legislation changes the Nursing Care Facilities Account to an expendable special revenue fund, allowing the Department of Health to spend from the fund without legislative approval.

**Local Government**

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

**Individuals & Businesses**

UCA 36-12-13(2)(d)

Each new nursing care facility licensed under this legislation might pay \$3,600 one-time and \$3,600 every two years to operate a skilled nursing facility for an annualized increase of \$1,800.

**Performance Note**

JR4-2-404

No performance note required for this bill

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
