State Government

UCA 36-12-13(2)(b)

Enactment of this legislation likely will not materially impact state revenue.

Revenues	FY 2017	FY 2018	FY 2019
Total Revenues	\$0	\$0	\$0

Enactment of this bill may cost the State Board of Education \$2,727,900 ongoing from the Education Fund beginning in FY 2018 to implement the student assessment provisions outlined in the bill. The State Board indicates that one-time data programming costs can be funded by redirecting staff to make the changes. The State Board has also identified \$1.8 million in current assessment funding that can be redirected for the assessment change outlined in the bill. Assuming these offsets, the net cost may be \$842,000 ongoing beginning in FY 2018. Finally, the State Board of Education is currently contracted with a provider for the SAGE assessment through 2017. After that contracted has ended additional funding may be available to offset additional costs.

Local Government

UCA 36-12-13(2)(c)

Enactment of this bill requires licensed employees of school districts and charter schools to complete two hours of professional training on youth suicide. The impact may vary by school based on the number of licensed educators, cost of the professional development, and employee costs. The estimated average daily contract amount for a classroom teacher is approximately \$260.

Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not result in direct, measurable expenditures by Utah residents or businesses.

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
