State Government

UCA 36-12-13(2)(b)

Enactment of this bill creates a state nonrefundable rural job creation tax credit for credit-eligible contributions to a rural investment company that invests in eligible small businesses primarily located in rural counties. The number of taxpayers who would be eligible for the tax credit is unknown. Based on timing of the credits, the Education Fund revenue loss could be \$6 million annually in FY 2022 to FY 2025. The total credit-eligible contributions is capped at \$24 million spread over 4 years. The Governor's Office of Economic Development could collect \$25,000 in dedicated credits annually from the fee authorized in the bill.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
