**Local Government**

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

**Individuals & Businesses**

UCA 36-12-13(2)(d)

Enactment of this legislation may cost property owners within a designated energy assessment area up to \$50,000 annually statewide in fees to the Office of Energy Development to cover the cost of administering and directing the operation of the Commercial Property Assessed Clean Energy Act district. Cost impacts will vary based on the project.

**Performance Note**

JR4-2-404

No performance note required for this bill

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
