Enactment of this legislation likely will not result in direct, measurable expenditures by Utah residents or businesses.

Regulatory Impact

UCA 36-12-13(2)(e)

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
