Local Government

UCA 36-12-13(2)(c)

Enactment of this bill could cost counties and municipalities statewide an estimated \$320,000 every two year election cycle to draw new voter participation areas. This bill could also cost counties and municipalities statewide an estimated \$32,900 per statewide ballot proposition for additional signature verification and tabulation. For each land use referenda signature verification and tabulation costs could equal an estimated \$2,500 in a first or second class county and \$400 in a first or second class municipality.

Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not result in direct expenditures from tax or fee changes for Utah residents and businesses.

Regulatory Impact

UCA 36-12-13(2)(e)

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
