**Local Government**

UCA 36-12-13(2)(c)

Enactment of this bill could cost counties and municipalities statewide an estimated \$320,000 every two year election cycle to draw new voter participation areas. This bill could also cost counties and municipalities statewide an estimated \$2,900 per statewide ballot proposition for additional signature verification and tabulation. For each land use referenda signature verification and tabulation costs could equal an estimated \$600 in a first or second class county costs would remain comparable in a first or second class municipality.

**Individuals & Businesses**

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not result in direct expenditures from tax or fee changes for Utah residents and businesses.

**Regulatory Impact**

UCA 36-12-13(2)(e)

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

No performance note required for this bill

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
