**Local Government**

UCA 36-12-13(2)(c)

Enactment of this legislation may reduce administrative costs for local education agencies. It is estimated that LEA staff spend an average of 3.5 hours per teacher for the formative and summative evaluation reports eliminated by the legislation. At an average salary of \$43.60 per hour for administrative positions, the estimated annual savings from eliminating these reports is \$150 per evaluated teacher. Cost reductions associated with this bill may vary by LEA depending on the number of teachers the LEA evaluated as part of the summative and formative reports and the actual hours spent preparing all reports eliminated by the legislation.

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
