

# UCAT SCHOLARSHIP FUND

HIGHER EDUCATION  
STAFF: ANGELA J. OH

ISSUE BRIEF

## **SUMMARY**

The Utah College of Applied Technology (UCAT) wishes to initiate a \$250,000 annual scholarship fund.

## **OBJECTIVE**

A UCAT Scholarship Fund can help assist students who might not otherwise be able to obtain technical training and a postsecondary certificate from a UCAT campus.

## **DISCUSSION AND ANALYSIS**

UCAT wishes to initiate a \$250,000 annual scholarship fund to assist students. UCAT estimates that an additional 200 - 500 part-time and full-time students per year would benefit from this scholarship fund.

The Analyst recommends that the subcommittee forward to the Executive Appropriations Committee for its consideration, an increase of \$250,000 in the General Fund to develop a UCAT Scholarship Fund for FY 2013.
