

PASSED

Intent Language Proposed by Representative Litvack

The Legislature intends the Division of Services for People with Disabilities (DSPD), in consultation with stakeholders, providers, and the state Medicaid agency, explore options for a tier approach for individuals waiting for services to be utilized as an alternative or in addition to programs currently funded as part of the FY 2013 DSPD appropriations. It is further the intent of the Legislature that these efforts, along with recommendations, be reported back to the Social Services Appropriations subcommittee by January 2013.
