HB 399 (2013 GS) Changes the terminology of each "restricted special revenue fund" to a new designation of "expendable special revenue fund." The bill also provides intent language that any reference to "restricted special revenue fund" in the code be replaced with "expendable special revenue fund." Thus, the three new restricted special revenue funds created during the 2013 session will be so designated. (# 2330, 2185, 2201) Classifies the following funds as "capital projects funds": Transportation Investment Fund of 2005; Centennial Highway Fund; and Critical Highway Needs Fund. Modifies the description of fund types to better comply with new Government Accounting Standards Board requirements. Provides that the Attorney General Litigation Fund is an expendable revenue fund.

SB 207 (2013 GS) Repeals Utah Code provisions requiring reports, primarily to various entities of the Utah Legislature, on health and human services issues, and repeals expired or discontinued programs. (#2235, 1320, 1221, 2180)
