Description:

Fund was created in 1995 to account for the revenues and expenditures related to the operation of the Utah Veterans' Home.

The 2000 Legislature (HB140) Created the Division of Veterans' Affairs within the Utah National Guard. On July 1, 2002 the responsibility for Utah State Veterans' Nursing Home and Programs will be transferred to the new division (from the Department of Health)(UCA 71-8-3(a)). Since this fund accounts for the revenues and expenditures related to the Home, the responsibility for this fund will not change until July 1, 2002.

HB 264 (2002 GS) Changed this fund's classification from an expendable trust fund to a restricted special revenue fund. This change was a result of Finance's overall fund analysis for implementation of GASB Stmt 34.

HB 426 (2007 GS) Changed the Division of Veteran Affairs to the Department of Veteran Affairs.

HB 399 (2013 GS) Changes the terminology of each "restricted special revenue fund" to a new designation of "expendable special revenue fund." The bill also provides intent language that any reference to "restricted special revenue fund" in the code be replaced with "expendable special revenue fund." Thus, the three new restricted special revenue funds created during the 2013 session will be so designated. (# 2330, 2185, 2201) Classifies the following funds as "capital projects funds": Transportation Investment Fund of 2005; Centennial Highway Fund; and Critical Highway Needs Fund. Modifies the description of fund types to better comply with new Government Accounting Standards Board requirements. Provides that the Attorney General Litigation Fund is an expendable revenue fund
