

## Fund 2355 Visually Handicapped Fund

Agency(s): Utah State Office of Rehabilitation

Analyst: Stephen Jardine

### Purpose and Uses

The fund provides allocation of interest earned for projects and programs benefitting blind individuals, as selected through a request for proposal process and approved by the Utah State Board of Education.

### Accountability

Per UCA 53A-24-108, donations are exempt from appropriation, while expenditures are controlled by the State Board and/or written donation agreement. The stoplight is yellow because language in the fund title is dated and needs to be updated to be consistent with current terminology.

### Recommendation

The Analyst recommends the name of the fund be updated to be consistent with current terminology such as Individuals with Visual Disability Fund. This fund is similar to an expendable special revenue fund. The Analyst further recommends the Legislature review this fund annually and include it in an appropriations act.

\*Revenues and Expenses include Net Transfers; Dollar figures in thousands

### Graph Notes

Revenue to the fund stems from non-appropriated donations, while expenditures are for emergency travel and lodging needs and other expenditures on behalf of students with visual disabilities. In FY 2012, revenue was \$11,500, while there were no expenditures.
