

Compendium of Budget Information for the 2014 General Session

Executive Offices and Criminal Justice Appropriations Subcommittee

Agency: Rev Transfers - EOCJ

Function

Free revenue transfers are line item appropriations that authorize the Division of Finance to move resources from a restricted fund or account into the General Fund or Education Fund. This most often happens when the Legislature "sweeps" an account balance. The resources then offset other appropriations from free revenue. These items are shown separately to avoid double-counting them in a budget roll-up.
