

Dear Sir,

Very warm greetings. My name is Ambrose Vincent George, A Dominican Republic Citizen. I have been thinking seriously about a proposal which I want to present to you. I desire to partner with you in any business of your choice. You might know that it is quite difficult getting into business after retirement from the public service and I want the helping hand of an honest and loyal partner.

I know that you have vast knowledge in commercial enterprise. I will be waiting for your response in order to start formal proceedings.

Thanking you.

Yours truly,

Ambrose Vincent George,
