

16-6a-602 Number and classes.

- (1) A nonprofit corporation may have:
 - (a) one or more classes of voting or nonvoting members; and
 - (b) one or more members in each class described in Subsection (1)(a).
- (2) The bylaws may designate:
 - (a) the class or classes of members; and
 - (b) the qualifications and rights of the members of each class of members including the matters or items for which voting members may vote.

Enacted by Chapter 300, 2000 General Session
