

**Part 3**  
**Local Building Authority Projects**

**17D-2-301 Project plans and specifications.**

Each local building authority that proposes to construct, acquire, improve, or extend a project for the use of its creating local entity shall submit to the governing body of the creating local entity:

- (1) plans and specifications for the project; and
- (2) the estimated project costs.

Enacted by Chapter 360, 2008 General Session

**17D-2-302 Architect or engineer certificate -- Approval of plans and specifications.**

- (1) The plans and specifications submitted under Subsection 17D-3-301(1) shall include a certificate of the architect or engineer responsible for planning and designing the project, stating the estimated useful life of the project.
- (2) The creating local entity's governing body shall approve the plans, specifications, and estimated project costs before:
  - (a) execution of a lease agreement with respect to the project; and
  - (b) the local building authority begins to construct, acquire, improve, or extend the project.
