

20A-5-402.5 Certification of voting equipment.

- (1) As used in this section, "voting equipment" means automatic tabulating equipment, electronic voting systems, voting devices, and voting machines.
- (2) Each election officer shall ensure that:
 - (a) the voting equipment used by the election officer is certified by the Election Assistance Commission; and
 - (b) the voting equipment is certified by the lieutenant governor as having met the requirements of this section.
- (3) The lieutenant governor shall ensure that all voting equipment used complies with the requirements of this section.
