

**Effective 7/1/2015**

**26-37a-104 Calculation of assessment.**

- (1) The division shall calculate a uniform assessment per transport as described in this section.
- (2) The assessment due from a given ambulance service provider equals the non-federal portion divided by total transports, multiplied by the number of transports for the ambulance service provider.
- (3) The division shall apply any quarterly changes to the assessment rate, calculated as described in Subsection (2), uniformly to all assessed ambulance service providers.
- (4) The assessment may not generate more than the total of:
  - (a) an annual amount of \$20,000 to offset Medicaid administration expenses; and
  - (b) the non-federal portion.
- (5)
  - (a) For each state fiscal year, the division shall calculate total transports using data from the Emergency Medical System as follows:
    - (i) for state fiscal year 2016, the division shall use ambulance service provider transports during the 2014 calendar year; and
    - (ii) for a fiscal year after 2016, the division shall use ambulance service provider transports during the calendar year ending 18 months before the end of the fiscal year.
  - (b) If an ambulance service provider fails to submit transport information to the Emergency Medical System, the division may audit the ambulance service provider to determine the ambulance service provider's transports for a given fiscal year.
