

**26-8a-412 License for air ambulance providers.**

- (1) An applicant for an air ambulance provider shall apply to the department for a license only by:
  - (a) submitting a complete application;
  - (b) providing information in the format required by the department; and
  - (c) paying the required fees.
- (2) The department may make rules establishing minimum qualifications and requirements for:
  - (a) personnel;
  - (b) capital reserves;
  - (c) equipment;
  - (d) business plan;
  - (e) operational procedures;
  - (f) resource hospital and medical direction agreements;
  - (g) management and control qualifications and requirements; and
  - (h) other matters that may be relevant to an applicant's ability to provide air ambulance services.
- (3) Upon receiving a completed application and the required fees, the department shall review the application and determine whether the application meets the minimum requirements for licensure.
- (4) The department may deny an application for an air ambulance if:
  - (a) the department finds that the application contains any materially false or misleading information or is incomplete;
  - (b) the application demonstrates that the applicant fails to meet the minimum requirements for licensure; or
  - (c) the department finds after inspection that the applicant does not meet the minimum requirements for licensure.
- (5) If the department denies an application under this section, it shall notify the applicant in writing setting forth the grounds for the denial.
