

Effective 5/12/2015

35A-3-301 Purpose -- Legislative findings.

- (1) The Legislature finds that:
 - (a) employment improves the quality of life for parents, children, and individuals by increasing family income, developing job skills, and improving self-esteem; and
 - (b) the purpose of the cash assistance provided under this part is to assist a parent recipient to obtain employment that is sufficient to sustain a family, to ensure the dignity of those receiving assistance, and to strengthen families.
- (2) The Legislature recognizes that even with assistance, some recipients may be unable to attain complete self-sufficiency.
