

**35A-7-103 Establishment of registry.**

- (1)
  - (a) The Department of Workforce Services, through contract with the Office of Recovery Services, shall establish a centralized new hire registry database for the purpose of receiving and maintaining information on newly hired or rehired employees.
  - (b) The database shall be formatted to conduct automatic comparisons as described in Section 35A-7-105 by October 1, 1997.
- (2) Information in the registry will be used to match the employee's employment records with other databases to allow for the rapid implementation of support orders and verification of employment status.
