

**4-20-10 Promotion of multiple use of rangeland resources.**

- (1) The department shall work cooperatively to promote efficient multiple-use management of the rangeland resources of the public lands administered by the federal Bureau of Land Management within the state to benefit the overall public interest.
- (2) The department may serve as an independent resource for mediating disputes concerning permit issues within the scope of Subsection (1).

Enacted by Chapter 383, 2011 General Session
