

4-37-201 Certificate of registration required to operate an aquaculture facility.

- (1) A person may not operate an aquaculture facility without first obtaining a certificate of registration from the department.
- (2)
 - (a) Each application for a certificate of registration to operate an aquaculture facility shall be accompanied by a fee.
 - (b) The fee shall be established by the department in accordance with Section 63J-1-504.
- (3) The department shall coordinate with the Division of Wildlife Resources:
 - (a) on the suitability of the proposed site relative to potential impacts on adjacent aquatic wildlife populations; and
 - (b) in determining which species the holder of the certificate of registration may propagate, possess, transport, or sell.
- (4) The department shall list on the certificate of registration the species which the holder may propagate, possess, transport, or sell.
