41-6a-906 Designation of through highways -- Stop signs, yield signs, and traffic-control devices -- Designation of intersections as locations for preferential right-of-way treatment.

A highway authority, with reference to highways under its jurisdiction, may erect and maintain stop signs, yield signs, or other traffic-control devices to designate:

- (1) through highways; or
- (2) intersections or other roadway junctions at which vehicular traffic on one or more of the roadways should yield or stop and yield before entering the intersection or junction.
