

58-54-306 Exemption from licensure.

A person may engage in the practice of radiologic technology without being licensed under this chapter if:

- (1)
 - (a) the person is filling a new or existing position as an employee performing the duties of a radiology practical technician when a licensed radiology practical technician is not available to begin in the new position or continue filling the existing position;
 - (b) the total period in which the position is filled by the unlicensed person is not more than 90 days;
 - (c) the unlicensed person at all times performs services as a radiology practical technician under the direct on-premises supervision of a radiology practitioner; and
 - (d) the employee position filled by an unlicensed person under this section is an existing position and was filled by a person licensed under this chapter immediately prior to employment of the unlicensed person;
- (2) the person:
 - (a) performs services in a dental facility under the supervision of a dentist licensed to practice in this state; and
 - (b) has completed a radiology course approved by the Dentists and Dental Hygienists Board created under Section 58-69-201; or
- (3) the person:
 - (a) performs services in a medical facility under the supervision of a podiatric physician licensed to practice in this state; and
 - (b) has completed a radiology course approved by the Podiatric Physician Board created under Section 58-5a-201.
