

58-64-502 Unprofessional conduct.

"Unprofessional conduct" includes:

- (1) using any deception detection instrument that does not meet criteria and standards established by rule by the division in collaboration with the board; and
- (2) using any deception detection instrument that does not make a permanent recording as required under Section 58-64-601.

Enacted by Chapter 215, 1995 General Session
