63A-5-104.1 State Building Board -- Process study and recommendations.

- (1)
 - (a) The State Building Board, in collaboration with the Board of Regents, each higher education institution, as defined in Section 53B-1-201, the Utah Schools for the Deaf and the Blind, and any other state entity that the State Building Board invites to participate, shall prepare a report that proposes:
 - (i) a process for tracking direct and indirect operations and maintenance costs on an individual building basis; and
 - (ii) alternative funding mechanisms for operations and maintenance costs for state-owned and state-operated facilities that incorporate actual expenses, the purpose for which the facility is used, the age of the facility, the condition of the facility, and the location of the facility.
 - (b) In preparing a proposal described in Subsection (1)(a)(ii), the State Building Board shall consider an internal service fund, individual appropriation line items, and a formula to determine funding.
- (2) No later than September 1, 2015, the State Building Board shall submit the report described in Subsection (1) to:
 - (a) the legislative fiscal analyst; and
 - (b) the Infrastructure and General Government Appropriations Subcommittee.
