

***Superseded 5/10/2016***

**63B-18-302 Authorizations to lease or dispose of property.**

- (1) The Legislature intends that:
  - (a) the Division of Facilities Construction and Management, acting in coordination with the Utah State Fair Corporation, may negotiate with the Utah Transit Authority for a long-term lease of land, or a license for long-term use of land, to the Utah Transit Authority at the State Fairpark; and
  - (b) before entering into a contract with the Utah Transit Authority, the division shall:
    - (i) obtain the approval of the State Building Board; and
    - (ii) the State Building Board may approve the agreement only if the division demonstrates that the contract terms agree with Section 63A-5-306 and will be a benefit to the state.
- (2) The Legislature intends that:
  - (a) the Department of Workforce Services may, in coordination with the Division of Facilities Construction and Management, sell a Temporary Placement Office in Salt Lake City, Utah, and three vacated buildings in Logan, Utah; and
  - (b) sales shall be at fair market value.
